

## 7 Free Palestine

*Maher Zain*

Free free Palestine (*Free free Palestine*)  
Free free free Palestine (*Free free free Palestine*)  
No more murder, no more lies (*No more murder, no more lies*)  
Free free free Palestine (*Free free free*)  
\*Palestina  
Palestina  
Oh oh oh oh  
Palestine in my heart      *Repeat from \**

Stand up tall  
This is a wake up call  
Never again, never again,  
Means never again for all  
To all the people in Gaza  
Though we're living far from each other  
Your pain is our own pain  
All for one and one for all

Freedom is our destiny  
Gotta make a choice,  
Better be on the right side of history  
No one can be free      (*NO!*)  
Until we all are free (*YES!*)  
Enough is enough (*ENOUGH!*)  
We gotta stop this genocide

***After final chorus: Free free free Pa-le-stine!***

# Sing For Palestine Workshop

## 2 Barclay's Trilogy *Janet Wood*

***All Around My Hat***

Boycott Barclay's Bank  
They make war with your money  
So boycott Barclay's Bank  
They're supporting genocide  
And if anyone should ask you  
The reason why you're leaving them  
Say it's all for humanity and love for Palestine

### **Oh Sinner Man**

Oh Barclay's Bank  
Where you gonna run to? X3  
We'll make you pay

Oh Barclay's Bank  
You invest in war crimes...

Oh Barclay's Bank  
You support apartheid...

Oh Barclay's Bank  
You shore up the arms trade...

### **This Land Is Your Land**

If this is your bank  
You're with the wrong bank  
Withdraw your money  
And find a new bank  
'Cos they fund apartheid  
And killing children  
This bank is not for you and me

### **6 Don't Buy Dates!**

To the tune 'Bye Bye Love' by F&B Bryant. Adapted  
from words by Ryan & Walsh.

### **Chorus:**

**No, No, No, No**

**Don't buy dates**

**Don't buy Israeli dates**

**Don't buy Coca Cola**

**There's a boycott going on x 2**

To help the people of Palestine  
We won't buy grapefruit or Israeli wine  
And if you're wondering what you can do  
Please join the boycott and help them too.

### **Chorus**

Their land's been taken and occupied  
Their houses bulldozed and farms destroyed  
The Western powers send arms with glee  
While Israel acts with impunity.

Tell all your neighbours.  
Please don't be shy  
Read all the labels before you buy  
You have the power each time you shop Israel's  
Apartheid has got to stop!

### **Chorus**

### **5 Marks and Spencer Boycott Song**

Marks and Spencer, what are you going to do?  
Israel's settlers, selling their goods to you.

Grown on stolen land

They really must be banned

So hear our plea: trade fair not free

End Israeli apartheid now

Marks and Spencer talk about customer choice.

But Palestine's farmers, don't they deserve a voice?

They lose their land and water

As Israel spreads its border

So take a stand, their produce ban

End Israeli apartheid now

Marks and Spencer, give us your answer clear

Palestinian farmers, they hold their land so dear.

Don't trade with those occupying

It's stealing – it's not buying

So hear our plea, trade fair, not free

End Israeli apartheid now

Marks and Spencer, hold your heads up high

Stand up for justice, don't hide behind a lie

Israeli trade's unfa-ir

It causes such despair

So take a stand, their products ban

End Israeli apartheid now

You gotta stop arming Israel

Government ministers, we've had enough

You gotta stop arming Israel

**Stop arming Israel**

**Stop arming Israel**

**Sign petitions, write to your MP**

**Put an end to their complicity**

**Stand against this atrocity**

**We gotta stop arming Israel**

Forged Solutions, you're destroying lives

You gotta stop arming Israel

No more parts for F35s

You gotta stop arming Israel

UK businesses, UK banks

You gotta stop arming Israel

Stop investing in bombs and tanks

You gotta stop arming Israel

Raytheon, BAE, blood on your hands

You gotta stop arming Israel

Let's wipe the arms trade from this land

You gotta stop arming Israel

### **3 STOP ARMING ISRAEL** *Janet Wood*

Billionaires, profiteers, listen up

### **4 Call It A Genocide** *Boff Whalley/Commoners Choir*

How many peace deals brushed aside  
Before we call it a genocide?  
How many children maimed and died  
Before we call it a genocide?  
How many souls unidentified?  
How many captured, tortured and tied?  
How many more politicians bribed  
Before we call it a genocide?

How many witnesses testified  
Before we call it a genocide?  
How many grieving mothers cried  
Before we call it a genocide?  
How many aid trucks stuck outside?  
How many soldiers with hate in their eyes?  
How many missiles made and supplied  
Before we call it a genocide?

Call it out  
Genocide  
Say the name  
Palestine

How many media stories lied  
Before we call it a genocide?  
How many homes blown open wide  
Before we call it a genocide?  
How much evidence falsified?  
How many secrets classified?  
How many innocents terrorised  
Before we call it a genocide?

Call it out  
Genocide  
Say the name  
Palestine

Ceasefire now  
End this war  
Today and tomorrow  
And forever more
